

JAMES WILLIAMSON JUNIOR DEVELOPMENT CAMP NOVEMBER 2014

Seventeen juniors came from all over NSW and the ACT to attend this year's Junior Development Camp held at Bungarra Jindabyne NSW. This was a particularly successful camp, with good weather (most of the time) and a keen bunch of young cyclists who represent a great future for the sport. We wish them good luck for their riding in the years to come.

This camp is financed from the proceeds of the James Williamson Enduro Challenge cross country mountain race held at Wingello Forest, each year in March. We wish to thank all our race sponsors, Giant Bikes, Shimano, Rubena Tyres, JetBlack, Powerbar, Enduro Magazine, Conceptis, Forestry Corporation, CORC, Radical Lights, Frameskin, Cycle Education, Rocky Trail Entertainment, Chocolate Foot, Wild Horizons and McGees Cycling Store. Without their support of the race, this camp would not be possible. Thanks also for the generous donation received this year, from Bec Henderson from the Duo Classic Race held in 2013.

Thanks also to coaches Dylan Cooper, Jenni King, Ben Henderson, Brendan Johnston and Niki Fisher and also to Niki Fisher for the jersey designs.
