### James Williamson Development Camp

Another very successful James Williamson Development Camp was held in Canberra two weeks ago. A highlight of this year's Camp, was the chance for juniors to take part in a CORC Club race at Mt Stromlo on Sunday. It was very special to see twenty two juniors with their Willo jerseys on, riding the Willo Link (as part of the race). ### Justin Lenehan

Justin Lenehan passed away while competing in the Australian MTB Marathon Championships on June 10th 2012 at Mt Stromlo. As well as being a keen sportsperson and mountain bike rider, Justin was a passionate supporter of junior development for mountain bikers, an active member of Bruce Ridge Trails in Canberra, and integral in linking Bruce Ridge to the younger generation at Canberra High. At Justin's funeral, supporters were asked for donations rather than flowers. Jo (Justin's partner) has generously passed on these donations to the James Williamson Enduro Fund, in support of the Fund's aims, and in recognition of the similar mission that both Justin and the James Williamson Enduro Fund embody. The Fund is deeply appreciative of this kind donation and would

like to thank all those friends and families of Justin who have contributed to this cause. We will be offering a complimentary entry for one of Justin's family or friends, so they can ride at the Willo for Justin.
